2 people have recommended Bahou

"Reda and I teamworked for 3 years in the same company, his performance at Sigma was golden. He was able to make killer stuff in no time. Open minded and passionate about work, he has this strong ability to motivate people he works with. I learned a lot from him and I certainly would recommend him as a CG/VFX artist."

— **Charlotte RISCH**, *Motion Design, VFX, Compositing, AD, Sigma technologies*, worked directly with Bahou at Sigma Technology

"Reda is a hard working guy with a strong technical and artistic knowledge. He know what he is doing when it takes a shot or a project and where he wants to go with it. Reda is always looking for knowledge and a very nice guy to work with. He is also very reliable and I surely recommend him."
